

HYPNOSIS

Is HYPNOSIS a Wonderful Power for Good? Or the Trick of the Devil?

Hypnotism and its Dangers

Deuteronomy 18:10-12 "There shall not be found among you ...any that useth divination, or an observer of times, or an enchanter, or a witch, Or a charmer, (HYPNOTIST) or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the LORD".

Be on Guard.

In these days when skepticism and infidelity so often appear in a scientific garb, we need to be guarded on every hand. Through this means our great adversary is deceiving thousands and leading them captive according to his will. The advantage he takes of the sciences, sciences which pertain to the human mind, is tremendous. Here, serpentlike, he imperceptibly creeps in to corrupt the work of God.

This entering in of Satan through the sciences is well devised. Through the channel of ...hypnotism, he comes more directly to the people of this generation and works with that power which is to characterize his efforts near the close of probation. The minds of thousands have thus been poisoned and led into infidelity.

While it is believed that one human mind so wonderfully affects another, Satan, who is ready to press every advantage, insinuates himself and works on the right hand and on the left. And while those who are devoted to these sciences laud them to the heavens because of the great and good works which they affirm are wrought by them, they little know what a power for evil they are cherishing; but it is a power which will yet work with all signs and lying wonders--with all deceivableness of unrighteousness. Mark the influence of these sciences, dear reader, for the conflict between Christ and Satan is not yet ended....

Hypnosis

Satan Hypnotized Adam and Eve.

Satan tempted the first Adam in Eden, and Adam reasoned with the enemy, thus giving him the advantage. Satan exercised his power of hypnotism over Adam and Eve, and this power he strove to exercise over Christ. But after the word of Scripture was quoted, Satan knew that he had no chance of triumphing.

Tamper Not With Hypnotism.

Men and women are not to study the science of how to take captive the minds of those who associate with them. This is the science that Satan teaches. We are to resist everything of the kind. We are not to tamper with mesmerism and hypnotism --the science of the one who lost his first estate and was cast out of the heavenly courts.

Warning to a Physician Who Favored Hypnosis.

I am so weighed down in your case that I must continue to write to you, lest in your blindness you will not see where you need to reform. I am instructed that you are entertaining ideas with which God has forbidden you to deal. I will name these as a species of mind cure.(hypnotism) You suppose that you can use this mind cure in your professional work as a physician. In tones of earnest warning the words were spoken: Beware, beware where your feet are placed and your mind is carried. God has not appointed you this work. The theory of mind controlling mind is originated by Satan to introduce himself as the chief worker, to put human philosophy where divine philosophy should be.

No man or woman should exercise his or her will to control the senses or reason of another so that the mind of the person is rendered passively subject to the will of

the one who is exercising the control. This science may appear to be something beautiful, but it is a science which you are in no case to handle.... There is something better for you to engage in than the control of human nature over human nature.

I lift the danger signal. The only safe and true mind cure covers much. The physician must educate the people to look from the human to the divine. He who has made man's mind knows precisely what the mind needs.

Appears Valuable and Wonderful.

In taking up the science you have begun to advocate, you are giving an education which is not safe for you or for those you teach. It is dangerous to tinge minds with the science of mind cure.

This science may appear to you to be very valuable, but to you and to others it is a fallacy prepared by Satan. It is the charm of the serpent which stings to spiritual death. It covers much that seems wonderful, but it is foreign to the nature and spirit of Christ. This science does not lead to Him who is life and salvation.

... Mind cure was entered upon very innocently--to relieve the tension upon the minds of nervous invalids. But, oh, how sad were the results!

Hypnosis

God has not given one ray of light or encouragement for our physicians to take up the work of having one mind completely control the mind of another so that one acts out the will of another. Let us learn the ways and purposes of God. Let not the enemy gain the least advantage over you. Let him not lead you to dare to endeavor to control another mind until it becomes a machine in your hands. This is the science of Satan's working

Cut Loose From Hypnotism

Unless you can see that Satan is the mastermind who has devised this science, it will not be as easy a matter as you suppose to separate from it, root and branch. The whole philosophy of this science is a masterpiece of satanic deception. For your soul's sake, cut loose from everything of this order. Every time you put into the mind of another person ideas concerning this science, that you may gain control of his mind, you are on Satan's ground, decidedly cooperating with him. For your soul's sake, break loose from this snare of the enemy.

God Forbids the Learning or Teaching of Hypnosis.

...To study this science is to pluck the fruit from the tree of knowledge of good and evil. God forbids you or any other mortal to learn or to teach such a science. .. Cut away from yourselves everything that savors of hypnotism, the science by which satanic agencies work.

Satan Has Great Power

Remember that Satan has come down with great power to take possession of minds and to hold them captive under his sway.

We do not ask you to place yourself under the control of any man's mind. The mind cure is the most awful science which has ever been advocated. Every wicked being can use it in carrying through his own evil designs. We have no business with any such science. We should be afraid of it. Never should the first principles of it be brought into any institution.

Taking Advantage of Weakness.

Fearful is the power thus given to evil-minded men and women. What opportunities it affords to those who live by taking advantage of others' weaknesses or follies! How many, through control of minds feeble or diseased, will find a means of gratifying lustful passion or greed of gain!

A Deadly Error.

Satanic agencies are clothing false theories in an attractive garb, even as Satan in the Garden of Eden concealed his identity from our first parents by speaking through the serpent. These agencies are instilling into human minds that which in reality is deadly error. The hypnotic influence of Satan will rest upon those who turn from the plain word of God to pleasing fables.

Danger in Investigating.

We have reached the perils of the last days, when some, yes, many, "shall depart from the faith, giving heed to seducing spirits, and doctrines of devils." Be cautious in regard to what you read and how you hear. Take not a particle of interest in Spiritualistic theories. Satan is waiting to steal a march upon everyone who allows himself to be deceived by his hypnotism. He begins to exert his power over them just as soon as they begin to investigate his theories.

Do Not Voice Satan's Theories.

I have been shown that we are not to enter into controversy over these Spiritualistic theories, because such controversy will only confuse minds. These things are not to be brought into our meetings. We are not to labor to refute them. If our ministers and teachers give themselves to study of these erroneous theories, some will depart from the faith, giving heed to seducing spirits and doctrines of devils. It is not the work of the gospel minister to voice Satan's theories. Go steadily forward, building up the old waste places and restoring the foundations of many generations. Present the truth, sacred, sanctifying truth, and let the seducing theories of the enemy alone. Give him no ground on which to plant the seeds of these theories. I was warned to enter into no controversy over these matters. Let not our ministers or teachers or students give their lips to the repeating of the enemy's sophistry.

Ministers and Physicians Drawn Into the Snare.

There are doctors and ministers who have been influenced by the hypnotism exercised by the father of lies. Notwithstanding the warnings given, Satan's sophistries are being accepted now just as they were accepted in the heavenly courts. The science by which our first parents were deceived is deceiving men today. Ministers and physicians are being drawn into the snare.

The Past in New Forms.

The experience of the past will be repeated. In the future, Satan's superstitions will assume new forms. Errors will be presented in a pleasing and flattering manner. False theories, clothed with garments of light, will be presented to God's people. Thus Satan will try to deceive, if possible, the very elect. Most seducing influences will be exerted; minds will be hypnotized.

No One to Be Passive Instrument.

It is not God's purpose that any human being should yield his mind and will to the control of another, becoming a passive instrument in his hands.

Must Be Free From Human Enchantment.

The mind cure must be free from all human enchantment. It must not grovel to humanity but soar aloft to the spiritual, taking hold of the eternal.
